

TestCase

```
graph BT; A[cheshire3.test.testConfig<br/>Parser.Cheshire3ObjectTestCase] --> B[TestCase]
```

The diagram illustrates an inheritance relationship. A box at the top contains the text 'TestCase'. A blue arrow points upwards from a larger box below to the bottom center of the 'TestCase' box. The larger box at the bottom contains two lines of text: 'cheshire3.test.testConfig' and 'Parser.Cheshire3ObjectTestCase'.

cheshire3.test.testConfig
Parser.Cheshire3ObjectTestCase
