

TestCase

```
graph BT; A[cheshire3.test.testResult Set.SimpleResultSetTestCase] --> B[TestCase];
```

The diagram illustrates an inheritance relationship. A white box at the top is labeled 'TestCase'. A blue arrow points upwards from a gray box below to the 'TestCase' box. The gray box contains the text 'cheshire3.test.testResult' and 'Set.SimpleResultSetTestCase' on two lines.

cheshire3.test.testResult
Set.SimpleResultSetTestCase
